Annotated Statement containing the reply of Tea Board on the Separate Audit Report issued during the Accounts Audit of Tea Board India, for the year 2022-23

Sl. No.	Audit Para	Comments of the Board
A A.1	**BALANCE SHEET** **Loans and Advances (Schedule B)** **₹ 63.67 lakh** The above includes loans and advances of ₹ 21.56 lakh which were disbursed more than seven years ago and were lying unadjusted due to non-availability of details of the beneficiaries. However, despite a lapse of considerable period of time, no provision has been created in the books of accounts. This is resulted in understatement of Current Liabilities and Provisions and overstatement of Excess of Income over expenditure to the above extent.	As pointed out during the audit of FY 2021-22, efforts were made during FY 2022-23 to trace and settle the advances under the 3 heads mentioned but no relevant records could be traced. Hence, necessary provision shall be created as advised by the audit team.
B B.1	**Income Expenditure Account** **National Programme for Tea Regulation E-Auction Expenses** **₹ 512.26 lakh** The above does not include E-Auction Expenses amounting to ₹ 33.76 lakh pertaining to 2022-23 paid to M/s NSEIT in September 2022.	Since multiple invoices of the same vendor were paid together, the expenditure pertaining to the current year was also adjusted against the liability provided in the previous year inadvertently.

	Non-inclusion of the above expenditure resulted in understatement of Expenditure by ₹ 33.76 lakh with corresponding overstatement of Excess of Income over Expenditure by the same amount.	As suggested, a rectification entry has been passed in FY 2023-24.
C	**<u>Grants-in-aid</u>** During the year grants amount to Rs. 12,588.57 lakh was received from Government of India, out of which as amount of Rs. 12,568.21 lakh was utilized during the year 2022-23 and an amount of Rs. 20.36 lakh remained unutilized as closing balance. Further, the unutilized grants of previous year i.e., 2021-22 amounting to Rs. 11.92 lakh were refunded to Government. **Director General of Audit (Coal)**	Noted.

	Annexure to the Audit Report	Comments of the Board
	Internal Control System Internal Control System is an integral process by which an organization governs its activities to effectively achieve its objectives. A built-in Internal Control System and strict adherence to Statutes, Codes and Manuals minimize the risk of errors and irregularities. **I. Adequacy of Internal Control System**: Effective Internal Control System should provide reasonable assurance of adherence to laws, rules, regulations and orders, safeguards against fraud and mismanagement and it ensures reliable financial management information to higher authorities. The control activities include documentation, system of authorisation and approval of payments, segregation of duties, reconciliation & verification, inspection and audit, review of operating performance and monitoring. Internal Control System was not adequate and commensurate with the size and nature of business of the Board and it needs to be strengthened in the area of compilation/ preparation/ finalization of accounts. Important findings, based on test check are as under: A. A Bank balance of ₹10812.11 was showing under National Programme for Tea Regulation Scheme since 2016-17. However, Tea Board neither obtained the Balance Confirmation Certificate from the bank nor prepared any Bank Reconciliation Statement.	A. The Bank of India (BOI) was engaged by Board as Payment and Settlement Bank for electronic auction of tea during the year 2016-17. Subsequently the BOI was discontinued w.e.f. 07.11.2016 as the Board had encountered several system related issues in respect of pay in and pay out services, which could not be resolved by BOI and the payment settlement process of auction was hampered. However, the various accounts opened with BOI for carrying out pay in and pay out activities including one Tea Board charges account (nine (09) settlement accounts, one (01) Tea e-Auction online EFT A/c and one (01) Tea Board charges A/c) could not be closed immediately after discontinuation of BOI as certain payments of the stakeholders were reported to be unsettled. Board had made several correspondences with BOI (latest letter was issued on 25.11.2022) with the request to settle the outstanding payments of few stakeholders. BOI was also requested to initiate closure of all accounts opened by Board for pay-in and pay-out activities. As no response has been received so far from BOI, Board is in process to approach BOI to conclude the issues on urgent basis.

	B. Balance confirmations of Loans, Advances, Debtors and Creditors are not being obtained by the Board.	B. Balance confirmation as on 31-03-2023 has already been sent to SPTF loan borrowers (24 Nos.) vide letter dated 28-04-2023. Reply has been received from 7 borrowers and rest are being followed up.
	C. ₹ 43.04 lakh is lying unadjusted under Suspense/Suspense Receipt under Current Liabilities & Provisions (Schedule A) in the Balance Sheet of Market Promotion Scheme as on 31 March 2023. Management sated that the amount received by the Board towards EMD/PSD/Participation fee etc., from time to time directly in the bank account are initially booked under the suspense head based on the bank statement and subsequently transferred to the respective head as and when the confirmation is obtained from the Promotion Directorate. This reflects inadequate internal control mechanism and necessitates immediate reconciliation/ identification.	C. The Board receives various amounts towards EMD, PSD, participation fees, etc. from time to time directly in the bank account. These receipts are initially booked under the suspense head based on the bank statement and subsequently transferred to the respective head as and when confirmation is obtained from the Promotion Directorate. Out of Rs. 43.04 lakhs, Rs. 39.50 lakhs pertain to period before FY 2020-21 and there is no information regarding this. Subsequently this has been closely monitored and unreconciled receipts are negligible now. However, efforts are being made to reconcile the Suspense receipt.
	D. The Leave and Lease Agreement between Tea Board India and M/s Goodricke for running Tea Room located at Tea Board HO was executed for a term of 3 years i.e., from 01.04.2019 to 31.03.2022. It was observed that M/s Goodricke was running its business on the premises of Tea Board till 30 November, 2022 without renewal of the agreement.	D. As per the C&AG query Sl. No. (iv) with regard to the non-execution of fresh Leave and License Agreement in between Tea Board and M/s. Goodricke Group Ltd., Kolkata, this is to state that the Leave and License Agreement was valid for the period from 01.04.2019 to 31.03.2022 and immediately after its expiry, Tea Board had requested M/s. Goodricke Group Ltd., Kolkata for submission of Leave and License Agreement for the term of further three years w.e.f. 01.04.2023 duly typed out on the non-judicial stamp paper and making payment of rent at the revised rates vide letter No. 6/2/2017/STR/Part-I/413 dated 07.04.2022 **(Annexure-I)**. It was expected that they will submit the Leave and License Agreement for its execution at the level of Tea Board but they have suddenly vacated their possession on 30.11.2022. As a result, fresh Leave Lease Agreement has not been executed w.e.f. 01-04-2022 till their actual occupation on 30-11-2022.

	ii. Internal Audit Manual: A Manual of Internal Audit containing the procedure for preparation of audit plan based on the risk assessment and prioritization, fixing of periodicity for audit and processing of audit objections etc., is essential for guidance of the members of the staff who are responsible for preparation of Audit Plan and for conducting Internal Audit. However, the Board does not have any Internal Audit Manual or any specific master guidelines on the process of Internal Audit.	The existing Internal Audit Manual shall be updated keeping in view the current structure and functions of the Board's offices as well as the modalities of the current scheme.
	iii. Adequacy of Internal Audit System: Tea Board has an internal audit wing which is presently functioning in Head Office, Kolkata. However, there is no dedicated manpower for Internal Audit Department. Internal Audit is conducted under the overall supervision of the Financial Adviser and Chief Accounts Officer. Tea Board has two Zonal Offices, 17 Regional Offices and 12 Sub-Regional Offices which were situated different parts of the country. Besides, there is Research Directorate and Quality Control Laboratory at Siliguri and one research and development centre i.e. Darjeeling Tea Research and Development Centre at Kurseong. However, during 2022-23 Internal Audit was not conducted in respect of all the units of the Board. Internal Audit in respect of only 4 unit i.e. Regional Office New Delhi, DTRDC, RO Siliguri and RO Jalpaiguri was conducted in 2022-23 and in respect of balance 27 units Internal Audit was not conducted. Thus, the internal audit mechanism was not adequate and commensurate with the size and nature of business of the Board.	The manpower in the Finance Section at the Board's H.O. has reduced drastically in the past few years due to retirements and transfers. Since the existing staff strength is barely sufficient for day-to-day functions of the section, only a few offices were audited during FY 2022-23. However, draft schedule has been prepared to bring more offices under the purview of internal audit during FY 2023-24.
	iv. System of Physical Verification of Fixed Assets: As per Rule 213 (1) of GFR 2017, fixed assets should be verified at least once in a year and the outcome of the verification recorded in the corresponding register. Discrepancies, if any, shall be promptly investigated and brought to account. Although as on 31 March 2023 the Board had fixed assets worth ₹ 1539.53 lakh, the physical verification of fixed assets was not conducted during 2022-23, which is a violation of the provisions of GFR.	The physical verification of fixed assets done and report has been submitted on 19-07-2023. The same is attached as **Annexure-II.** However, physical verification of fixed assets will be done on or before 31st March every year, which is noted for further compliance of the next financial year.
	v. System of Physical Verification of Inventory: As per Rule 213 (2) of GFR 2017, physical verification of all the consumable goods and materials should be undertaken at least once in a year and discrepancies, if any, should be recorded in the stock register for appropriate action by	The physical verification of inventory done and report has been submitted on 19-07-2023. The same is attached as **Annexure-III.**

	the competent authority. However, during 2022-23, physical verification of inventories was not conducted by the Board which was in violation of the provisions of GFR.	However, physical verification of inventory will be done on or before 31st March every year, which is noted for further compliance of the next financial year.
	vi. Regularity in payment of statutory dues: The Board regularly remitted all the statutory dues within the stipulated period. **Director (Hqrs.)**	Noted and shall be continued.
