FINANCE INDUSTRY DEVELOPMENT COUNCIL

18th Annual Report 2021-22

DIRECTORS' REPORT

To
The Members
Finance Industry Development Council

We have pleasure in presenting to you our **Eighteenth Annual Report** together with the Audited Accounts for the year ended **31st March 2022.**

1. FINANCIAL RESULTS

	31.03.2022 Rs.	31.03.2021 Rs.
Gross Income	42,47,881	36,77,816
Less: Expenses/Transfers	36,74,888	31,37,278
Less: Provision for Tax	1,50,000	1,41,000
Excess/short provision of Tax	(2,461)	1,910
Surplus/(Deficit) for the year	4,25,454	3,97,628
Surplus/(Deficit) b/f from last year	28,89,150	24,91,522
Surplus/(Deficit) carried to Balance Sheet	33,14,604	28,89,150

2. COMPANY

The Association is a Public Company within the meaning of Section - 2(71) of the Companies Act, 2013 and liability of the members is limited to the amount of guarantee of Rs.5,000/- each. It had acquired permission from the Registrar of Companies under Section 25 of the Companies Act, 1956 to omit the word "Limited" after its name vide Registration No.11-47081 dated 14th June 2004.

3. ECONOMIC AND BUSINESS ENVIRONMENT & OUTLOOK

OVERVIEW OF INDIAN ECONOMY FY 2021-22

The Financial Year 2021-22 was fairly a year of recovery from the adverse impacts of COVID-19 pandemic. The Indian economy successfully faced the challenges posed by the second and third waves of the pandemic, thanks to successful implementation of vaccination program, untiring services of the front-line warriors, fiscal and monetary policies, stimulus measures of Reserve Bank of India, central and state governments which gave a much-needed cushion for the stability of the economy. According to the second advance estimates of India's Gross Domestic Product (GDP) published by the National Statistical Office for the financial year 2021-22, GDP growth in the first and second quarter was 20.1% and 8.4% respectively. In the third quarter, the GDP growth slowed down to 5.4%. In the fourth quarter, India witnessed third wave of infection but remained largely unaffected owing to vaccination of large proportion of population. India's GDP growth in Financial Year 2021-22 is estimated at 8.9%, compared to a contraction of 7.3% in Financial Year 2020-21. The Index of Industrial Production grew 11.3% against an 8.4% contraction in Financial Year 2020-21. The consumer and business confidence was resilient with improvement in general economic situation, household incomes, and spending. The economic recovery continued its positive momentum throughout the festive season. The mobility indicators viz. collections from GST, toll and e-way bill generators had demonstrated recovery to pre-pandemic levels since February, 2022. Food-grain production touched a new record in Financial Year 2021-22, with both kharif and rabi output crossing the final estimates for Financial Year 2020-21 as well as the targets set for Financial Year 2021-22. The farm sector remained upbeat due to higher minimum support prices announced by the government. The Economic Survey 2021-22 stated that the total consumption is estimated to have increased by 7.0% in Financial Year 2021-22 with Government consumption contributing the larger pie. Private consumption, on the other hand, is also expected to have improved significantly to its pre-pandemic output levels. The macro-

economic indicators suggest that the Indian economy is well on its way to achieve its pre-pandemic growth levels in the current Financial Year 2023.

As a part of rehabilitation measure to reduce the stress caused by COVID-19 pandemic, the government has extended the Emergency Credit Line Guarantee Scheme till March 31, 2023 to provide credit support to small and micro organizations with expansion of guarantee cover by Rs. 50,000 crores to total cover of Rs. 5 lakh crores. It also provisioned additional credit of Rs. 2 lakh crores for Micro and Small Enterprises to be facilitated under the Credit Guarantee Trust for Micro and Small Enterprises. It further accelerated the MSME performance with an outlay of Rs.6,000 crores over five years. The headline CPI inflation edged up to 6.0 per cent in January 2022 and 6.1 per cent in February, 2022 breaching the upper tolerance threshold. Pick-up in food inflation contributed the most in headline inflation. The geopolitical crisis of Russia-Ukraine war, which started in the last week of February 2022, is casting uncertainty over the global economy, with increased volatility in crude prices and inflationary trends across commodities. The consequential financial sanctions and political pressure from the war are causing unpredictable and undesired implications on the global financial system and our economy due to rising crude oil and other commodity prices leading to higher inflation.

4. NBFC Sector: OUTLOOK, CHALLENGES AND OPPORTUNITIES

FINANCIAL SERVICES -NBFC SECTOR Over the past few years, Non-Banking Financial Companies (NBFCs) have played a prominent role in the Indian financial system. They provide financial inclusion to the underserved section of the society that does not have easy access to credit. NBFCs have revolutionized the Indian lending system and have efficiently leveraged digitization to drive efficiency and provide customers with a quick and convenient financing experience. The plethora of services include vehicle financing, MSME financing, home financing, microfinance and other retail segments The Government has consistently worked on the governance measures to strengthen the systemic importance of the NBFCs. As of January 31, 2022 there were approximately 9,495 NBFCs registered with Reserve Bank of India (RBI), of which 49 deposit accepting NBFCs. The pandemic impacted the NBFCs operations, leading to decline in disbursements across the sectors. However, the support and focus of the Government through various liquidity measures such as repo rate cut, targeted long-term repo operations, special liquidity scheme and partial credit guarantee scheme, kept the sector afloat. The total credit outstanding

from the NBFCs for Financial Year 2020-21 stood at Rs.23.75 trillion and is expected to grow by 6-7% in the Financial Year 2021-22. This growth was mainly led by growth in the housing, auto, gold and other retail segments which stood resilient even in the previous fiscal year. While the disbursement and AUM trends improved in the second and third quarters of Financial Year 2021-22, the trend is expected to continue in Q4 of Financial Year 2021-22 due to the limited impact of the third wave of the pandemic. The disbursement growth would have to remain healthier for a sustained AUM growth. Besides, bank credit growth to the NBFC sector improved significantly to 14.6% in February 2022 from 7% a year ago. Pursuant to RBI circular RBI/2021-22/125 DOR/STR/ REC.68/21.04.048/2021-22 dated November 12, 2021, on Prudential norms on Income Recognition, Asset Classification and Provisioning pertaining to Advances – Clarifications, the member Companies have revised their process of NPA classification to flagging of the borrower accounts as overdue as part of the day-end processes for the due date.

The year under review saw its commencement coinciding with the second and most virulent wave of the Covid-19 pandemic, which had a very deleterious impact on the sector, impacting not just demand for loans, but significantly impacting collection efficiencies of most NBFCs. Effective August-September, the position started to improve with collection efficiency and demand reviving. The last quarter saw significant improvement in the health of the NBFC sector overall, with most participants reporting better collection performance. Data from credit bureaux indicate that demand for financial assistance from NBFC also revived with almost 25% additional loans being sanctioned by NBFCs in 2021-22 over 2020-21. It is clear that the NBFC sector has by and large emerged out of the impact of several Covid-19 waves. The full impact of the restructuring of loans done under the Central Govt and RBI schemes is yet to be ascertained.

Despite grave difficulties faced by the economy, it is heartening to note that NBFCs have not defaulted on their obligations and continued to not just remain solvent, but also show commendable growth. It is an indication of the maturity of the sector as a whole and the overall governance mechanisms among the participants. The steps taken by the regulators to assist the sector tide over the crisis have been timely and FIDC would like to place on record the proactive measures taken by the RBI and the Govt of India as well as the open dialogue that was held with NBFCs during the phase of management of the pandemic.

Growth over the medium term remains a monitorable with the present geo political developments and their impact on inflation and interest rates. Impact of world-wide inflation and supply chain constraints on NBFCs

remains to be seen. However, improving GST collections and overall GDP growth projections indicate that the Indian economy is likely to emerge as the fastest growing large economy in the world. FIDC is confident that the sector would play its due role in the economy and benefit from its growth.

Emergence of a strong digital economy and information network ha helped NBFCs redefine business models and make risk assessment more methodical, scientific and objective. This should help the sector to continue its journey towards internationally accepted risk management practices.

The sector, however, still suffers from a skewed distribution of funds flow from banks and the money markets. FIDC is confident that performance of NBFCs would improve significantly if adequate liquidity could be ensured. FIDC has been advocating innovative solutions to address the issue of liquidity.

Co-Lending is being preferred both by banks and NBFCs, as the way forward. Though faced with challenges relating to integration of their systems, this model of collaborative lending has infused lot of hope and excitement.

NBFCs are also gearing up to adopt and comply to the new Scale Based Regulatory Framework which was notified by RBI in October 2021 and kicks off from 01st October, 2021. With the increase in entry level NOF to Rs. a0 crores (from the existing level of 2 crores), small NBFCs which are in the 2-10 crores bucket, need to formulate and firm up their planning to infuse capital so as to reach 10 crores by 31st March, 2026. Further, the top NBFCs which are likely to be placed in the upper layer, are gearing up to be subject to "bank like" regulations.

5. REGULATORY

Various Regulatory Notifications issued by RBI, MOF and other relevant authorities during the year can be viewed on the following website:

Link: https://fidcindia.org.in/regulatory-notifications/#1649913159060-4ff3a22b-3af3

NBFC SECTOR DATA

FIDC continues to disseminate the Assets Side Data of NBFCs on a quarterly basis, collected and compiled by CRIF Highmark and collated by FIDC. This has been found to be very useful and informative among Members, Financial professionals, regulators and media alike.

FIDC WEBSITE & SOCIAL MEDIA

In an endeavour to bring updated information on NBFCs and the Financial Sector and to keep everyone well aware of all latest developments, FIDC has developed its restructured, lively and vibrant **Website** www.fidcindia.org.in to offer a glimpse and gamut of what is happening in the BFSI sector. The completely revamped website is very actively operative high and running with updates on the current developments in the NBFCs/BFSI sector in India and also major changes in the economic space at the global level on a daily basis.

In addition, FIDC has created exclusive **Twitter/Facebook/LinkedIn/Instagram** handles for FIDC, tweeting and posting interesting and relevant articles and write-ups regularly on the latest developments and these are being shared as FIDC's reactions to reach up to the Policy Makers.

FIDC has also created a **Youtube channel** where we upload latest videos of seminars, meetings, interviews etc held or organized by FIDC.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
FINANCE INDUSTRY DEVELOPMENT COUNCIL

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Finance Industry Development Council** (*"the Company"*) which comprises the Balance Sheet as at March 31, 2022 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and profit for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We would like to draw the attention on the company's policy of providing for gratuity as and when paid and not on the basis of actual valuation as per AS 15. The same has been stated in Note No. 1(C)(i).

Our opinion is not qualified in respect of above matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the management discussion & analysis and director's report included in the annual report but does not include the financial statements and our auditor's report thereon. The above information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements;

(b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) the balance sheet and the statement of profit and loss dealt with by this Report are in agreement with the books of account;

(d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except as stated above in *"Emphasis of Matter"*;

(e) on the basis of the written representations received from the directors as on 31st March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2022 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration under section 197 is not applicable to a private company;

(h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) the Company does not have any pending litigations and therefore no impact of disclosure in relation to the same has been made in the financial statements.

(ii) the Company does not see any foreseeable losses on long-term contracts as on the balance sheet date and the Company has not entered into any derivative contracts, therefore no provision has been made in relation to the same;

(iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, the Intermediary shall, whether, directly or indirectly lend or invest in other persons or identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company form any persons or entities, including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material misstatement.

(v) The company has neither declared nor paid any dividend during the year.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we would like to state that statement on the matters specified in the paragraph 3 and 4 of the Order is not applicable to the Company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Finance Industry Development Council** (*"the Company"*) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

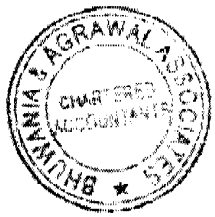

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".
