FINANCE INDUSTRY DEVELOPMENT COUNCIL
20th Annual Report 2023-24

DIRECTORS' REPORT

To
The Members
Finance Industry Development Council

We have pleasure in presenting to you our **Twentieth Annual Report** together with the Audited Accounts for the year ended **31st March 2024.**

1. FINANCIAL RESULTS

	31.03.2024 Rs.	**31.03.2023 Rs.**
Gross Income	1,00,80,530	46,56,125
Less: Expenses/Transfers	50,34,451	37,10,101
Less: Provision for Tax	13,12,000	2,46,000
Excess/short provision of Tax	(17,032)	(524)
Surplus/(Deficit) for the year	37,51,112	7,00547
Surplus/(Deficit) b/f from last year	40,15,152	33,14,065
Surplus/(Deficit) carried to Balance Sheet	77,66,264	40,15,152

2. COMPANY

The Association is a Public Company within the meaning of Section - 2(71) of the Companies Act, 2013 and liability of the members is limited to the amount of guarantee of Rs.5,000/- each. It had acquired permission from the Registrar of Companies under Section - 25 of the Companies Act, 1956 to omit the word "Limited" after its name vide Registration No.11-47081 dated 14th June 2004.

3. ECONOMIC AND BUSINESS ENVIRONMENT & OUTLOOK

Global Economic Scenario & Outlook

The global economy has shown remarkable resilience despite enduring repeated and overlapping shocks, coupled with unprecedented monetary tightening measures.

Looking ahead, the global economy is anticipated to grow at a steady pace, with diminishing effects of positive shocks. Alongside, it is set to witness increasing yields and tighter credit conditions. There are likely to be persistent supply disruptions, along with a shift in inflation sentiment, which may restrain the fall in inflation. Notably, the business sector is likely to experience increased pressure, with shrinking profit margins, leading to a slowdown in hiring and expenditure. The potential resurgence of consumer price inflation is a primary concern for the global economy. The economic rebound in 2025 largely hinges on central banks alleviating economic constraints, as inflation indicators approach their respective targets. The US and the Euro Area are particularly susceptible, with real policy rates currently at their highest levels since January 2008. Prolonged periods of high rates could substantially dampen economic activity, worsening mild recessions into more severe downturns.

Indian Economic Scenario & Outlook

India has solidified its position as the world's third-largest fintech economy, ranking behind only the USA and the UK. Furthermore, it has surged ahead of Hong Kong to claim the fourth spot in global stock markets. This accomplishment stems from both domestic and international investor confidence, strengthened by sustained IPO activity. Initiatives like the Skill India Mission, Start-Up India, and Stand-Up India have played a pivotal role in fostering greater women's participation in human capital development. Despite global economic uncertainties, India's GDP grew by 8.2% in FY 2023-24, driven by increased public sector investments, a resilient financial sector, and significant growth in non-food credit.

India has demonstrated resilience and progress in the face of global economic uncertainties with timely policy interventions targeting macro stability and the revitalisation of both financial and non-financial sectors.

Substantial investments in robust physical and digital public infrastructure have allowed the country to navigate challenges, both domestic and international, ensuring sustained economic progress. With ongoing and forthcoming government policy reforms, optimism and confidence in India's economic growth story is notably high. Embracing its 'Amrit Kaal' with assurance, the nation views growth challenges as opportunities for inclusive development rather than hindrances.

Going forward, the country is likely to remain the world's fastest-growing major economy on the back of growing demand, moderate inflation, stable interest rate regime and robust foreign exchange reserves. The economy is poised to achieve nearly 7% growth in FY 2024-25. The catalysts for this projected growth are likely to be robust domestic demand, private consumption and investment, and Government reforms and initiatives implemented over the past decade. The Government's investments in both physical and digital infrastructure, coupled with measures to increase manufacturing have strengthened the supply side. Together, these developments are likely to provide an impetus to the country's economic activity. India is making significant strides to achieve its futuristic growth targets. The Indian economy is projected to cross the USD 4 Trillion mark during FY 2024-25, further escalating to USD 5 trillion by FY 2026-27. Additionally, the Government has set an ambitious goal of transforming into a developed country by 2047. India will sustain its upward growth track, propelled by stable and robust domestic demand, expanding private consumption and investments, and ongoing structural reforms.

4. NBFC Sector: OUTLOOK, CHALLENGES AND OPPORTUNITIES

Financial institutions play a crucial role in fostering stability and implementing regulatory measures to reinforce households and businesses, particularly during periods of economic uncertainty. Currently, geopolitical conflicts have hindered post-Covid-19 pandemic recoveries in various countries, leading to an expedited normalisation of monetary and fiscal policies. In India, Non-Banking Financial Companies (NBFCs) have emerged as critical pillars of financial support for a significant segment of the population, including Small and Medium Enterprises (SMEs) and those historically underserved by traditional banking institutions. Displaying

impressive agility and efficiency, NBFCs have adeptly catered to the diverse financial needs of borrowers, leveraging their widespread geographical presence, deep understanding of various financial requirements and prompt processing times. By playing a pivotal role in advancing financial inclusion, non-bank lenders have facilitated the growth of numerous MSMEs and fostered opportunities for self-employment. Moreover, the sector has witnessed remarkable expansion with the entry of various players boasting varied business models. In recent years, India's financial services landscape has undergone a transformative shift, characterised by the growing influence of neo-banking, digital authentication.

During the financial year 2023-24, NBFCs (including housing finance companies) sanctioned a total of Rs. 19.02 trillion which marked an increase of about 15% over sanctions made during FY 2022-23. Housing loans, gold loans, personal loans and loans against property (both for consumption and capital investment) accounted for the largest portion of the portfolio. While retail consumption loans have been the traditional strength area of NBFCs, loans for productive asset creation by MSMEs (including transport operators, contractors and agriculturists) have increased over the past few years.

NBFCs have also adopted technology and data-driven approach to lending in a very encouraging manner. Development of AI based tools for customer identification, evaluation, management and collection of dues have revolutionized the way NBFCs have been operating. FIDC believes that these advancements will ensure much greater customer satisfaction and customer protection. The emergence of Account Aggregators is also democratizing data with the result that credit decisioning can happen in a logical, consistent and fair manner, rather than based on inconsistent human judgement and gut feel.

The RBI has played a crucial role in guiding the growth path of NBFCs as the financial system is firmly emerging out of the Covid aftermath. Having brought in scale-based regulations, the focus has now shifted to ensuring greater customer fairness and transparency and greater emphasis on strengthening the guard-rails and risk management to ensure sustainable and profitable growth for NBFCs. Over the past few months, the regulators

have taken several measures in this regard and FIDC appreciates the efforts of the RBI to ensure long term financial stability.

From FIDC's point of view, the recent RBI guidelines on Self-regulatory Organisation (SRO) for NBFCs is a welcome one. As the sector grows in complexity, significance and size, it is imperative to have self-regulatory mechanisms to ensure healthy growth and development of the sector. FIDC is keen to play its role in partnering the RBI in this effort.

FIDC Membership is now open to RBI registered HFCs, IFCs Factors and Fintech Companies. This will enlarge the scope of working of FIDC and help adoption of holistic and healthy business practices and enhance reputation of NBFCs in the minds of the public at large.

5. REGULATORY

Various Regulatory Notifications issued by RBI, MOF and other relevant authorities during the year can be viewed on the following website:

Link: https://www.fidcindia.org.in/regulatory-notification/

6. FIDC ACTIVITIES & ACHIEVEMENTS

The Board of Directors and Governing Council Committee of FIDC held several meetings during the year online through video-conferencing which were followed by Open House discussion with Regional Associations and local NBFCs.

Representations made during the year:

Various Representations made by FIDC to RBI, MOF, SEBI, CGTMSE, NPCI, Ministry of MSMEs, Ministry of Housing & Urban Affairs, Ministry of Law and Justice and other relevant authorities during the year can be viewed on the following link to FIDC website:

Link: https://www.fidcindia.org.in/representation/

MEETINGS/CONFERENCES

There were 27 conferences/seminars/summits/award functions held from time to time physically as well as virtually in various parts of the country during the year jointly with different Institutions/academia.

FIDC COMMITTEES:

Apart from the Board of Directors and Governing Council, FIDC works through its various expert Committees. These Committees have several members drawn from active and important NBFCs and these members are experts in their respective field. The following are the names of the Committees and their respective Chairman.

SR. NO.	NAME OF THE COMMITTEE	CHAIRMAN
1.	Representation Committee	Mr. K. V. Srinivasan, Whole-Time Director & CEO, Profectus Capital Pvt. Ltd.
2.	Legal Committee	Mr. N. Narayanann, Head (Legal), Sundaram Finance Ltd.
3.	CFO Committee	Mr. S. Sunder, Joint Managing Director, Shriram Finance Ltd.
4.	Professional Development Committee	Mr. Raman Aggarwal, Independent Director, Paisalo Digital Ltd.
5.	Membership Development Committee	Mr. Alok Sondhi, Managing Director, PKF Finance Ltd.

6.	Grievance Redressal Committee	Mr. Kamlesh Gandhi, Chairman & Managing Director, Mas Financial Services Ltd.

NBFC SECTOR DATA

FIDC continues to disseminate the Assets Side Data of NBFCs on a quarterly basis, collected and compiled by CRIF Highmark and collated by FIDC. This has been found to be very useful and informative among Members, Financial professionals, regulators and media alike.

All these well-compiled Data can be viewed on the following website:

Link: https://www.fidcindia.org.in/nbfc-data/

FIDC WEBSITE & SOCIAL MEDIA

In an endeavour to bring updated information on NBFCs and the Financial Sector and to keep everyone well aware of all latest developments, FIDC has developed its restructured, lively and vibrant **Website** www.fidcindia.org.in to offer a glimpse and gamut of what is happening in the BFSI sector. The completely revamped website is very actively operative high and running with updates on the current developments in the NBFCs/BFSI sector in India and also major changes in the economic space at the global level on a daily basis.

In addition, FIDC has created exclusive **Twitter/Facebook/LinkedIn/Instagram** handles for FIDC, tweeting and posting interesting and relevant articles and write-ups regularly on the latest developments and these are being shared as FIDC's reactions to reach up to the Policy Makers.

FIDC has also created a **YouTube channel** where we upload latest videos of seminars, meetings, interviews etc held or organized by FIDC.

Below are the links:

7. SHARE CAPITAL:

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF
FINANCE INDUSTRY DEVELOPMENT COUNCIL

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Finance Industry Development Council** (*"the Company"*) which comprises the Balance Sheet as at 31st March 2024 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2024, and profit for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We would like to draw the attention on the company's policy of providing for gratuity as and when paid and not on the basis of actual valuation as per AS 15. The same has been stated in Note No. 1(C)(i).

Our opinion is not qualified in respect of above matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the management discussion & analysis and director's report included in the annual report but does not include the financial statements and our auditor's report thereon. The above information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may

involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements;

(b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) the balance sheet and the statement of profit and loss dealt with by this Report are in agreement with the books of account;

(d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except as stated above in *"Emphasis of Matter"*;

(e) on the basis of the written representations received from the directors as on 31st March 2024 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration under section 197 is not applicable to a private company;

(h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) the Company does not have any pending litigations and therefore no impact of disclosure in relation to the same has been made in the financial statements.

(ii) the Company does not see any foreseeable losses on long-term contracts as on the balance sheet date and the Company has not entered into any derivative contracts, therefore no provision has been made in relation to the same;

(iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, the Intermediary shall, whether, directly or indirectly lend or invest in other persons or identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company form any persons or entities, including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material misstatement.

(v) The company has neither declared nor paid any dividend during the year.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we would like to state that statement on the matters specified in the paragraph 3 and 4 of the Order is not applicable to the Company.

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Finance Industry Development Council** (*"the Company"*) as of 31st March 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
