2. COMPANY

The Association is a Public Company within the meaning of Section - 2(71) of the Companies Act, 2013 and liability of the members is limited to the amount of guarantee of Rs.5,000/- each. It had acquired permission from the Registrar of Companies under Section - 25 of the Companies Act, 1956 to omit the word "Limited" after its name vide Registration No.11-47081 dated 14th June 2004.

3. ECONOMIC AND BUSINESS ENVIRONMENT & OUTLOOK

OVERVIEW OF INDIAN ECONOMY FY 2022-23

During the Financial Year 2022-23, the Indian economy emerged as the fifth largest economy in the world, overtaking the UK and also established itself as the fastest growing large economy in the world. The real GDP growth for the year came in at 7.2% exceeding most estimates by a significant margin. Monthly GST collections consistently clocked over Rs 140 crs, reflecting a nominal growth rate of 12%. The extent of formalization of the economy has been given a boost owing to implementation of GST as well as explosive growth in digital payments.

This growth is more creditable given the dark clouds on the geo-political arena with the war in Ukraine casting a shadow on fuel prices and global growth. Sharp inflationary trends across the developed world resulted in central banks raising interest rates sharply. Several banks in USA and Europe collapsed, denting public confidence significantly. In India too, the RBI was forced to increase repo rates by 250 bps in 9 months, resulting in a cascading rise in cost of borrowing for industry. The efforts of the RBI and the Govt. of India have helped the country to manage the global pressures in a strong manner and both growth as well as inflation in the economy has been maintained in the comfortable zone.

The Purchase Managers' Index (PMI) for both the manufacturing sector and the services sector has remained well above 55, indicating high level of business confidence in near term growth prospects. The Index of Industrial Production (IIP) has, however, been volatile and this could be a factor worrying the industry as well as the regulators. While domestic interest rates may have stabilised of late, there has been a sharp decline in the systemic liquidity surplus.

As per the RBI's Annual Report for 2022-23, there was a sharp recovery in discretionary spending and festival demand, spurred by increase in consumer confidence. The report also indicates a significant step up in the Govt's capital expenditure. These factors clearly have helped in the strong GDP growth for

the year. It however, remains to be seen how the capital expenditure plans of the private sector picks up going forward. Early indicators such as commercial vehicle, passenger vehicle and equipment sales in the last quarter turned positive, pointing towards a strong growth for FY 2023-24 as well. India may well and truly, be expected to emerge in the near future, as a stabilizing factor in the world economy.

4. NBFC Sector: OUTLOOK, CHALLENGES AND OPPORTUNITIES

Over the past few years, NBFCs have emerged as a vital force in financial inclusion and credit dissemination especially to the under-served self-employed and MSME segments, in addition to consumer finance. NBFCs today account for substantial part of the total loans outstanding across all lenders.

During the financial year 2022-23 NBFCs (including housing finance companies) sanctioned a total of Rs. 17.10 trillion which marked a healthy increase of 23% over sanctions made during FY 2021-22. Housing loans, gold loans, personal loans and loans against property constituted the largest products. There has been a significant change in the product portfolio of the NBFC sector over the years with loan against property and personal loans increasing in prominence. The share of MSME loans (comprising loans against property, business loans, commercial vehicle loans and machinery and equipment loans) today constitute almost 30% of total NBFC loans, reflecting the contribution of NBFCs to capital expenditure and productive asset creation in the economy. It is pertinent that a large part of the auto loans are also advanced for commercial purposes, which also constitutes productive asset creation. NBFCs have therefore, emerged as growth engines for the economy rather than consumption financiers.

The RBI has brought in scale-based regulations for NBFCs with the level of supervision varying with the scale and size of NBFCs. This has brought in significant clarity to NBFCs in terms of the regulatory framework and expectation of the regulator from them.

Fintech and digital lending have seen a very sharp increase in size, depth and the range of services being offered by such entities. In order to ensure

sustainable and healthy growth of this sunrise service and to ensure high degree of customer protection, the RBI has brought in guidelines for digital lending in the last financial year.

From FIDC's point of view, the recent RBI statement of intent to have Self-regulatory Organisation (SRO) for NBFCs is a welcome one. As the sector grows in complexity, significance and size it is imperative to have self-regulatory mechanisms to ensure healthy growth and development of the sector. FIDC is keen it play its role in partnering the RBI in this effort.

FIDC Membership is now open to RBI registered HFCs and Fintech Companies. This will enlarge the scope of working of FIDC and strengthen its position vis-a-vis integrated financial sector, regulators, media and public at large.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF FINANCE INDUSTRY DEVELOPMENT COUNCIL

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **Finance Industry Development Council** (*"the Company"*) which comprises the Balance Sheet as at March 31, 2023 and the Statement of Profit and Loss for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and profit for the year ended on that date.

Basis for opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

We would like to draw the attention on the company's policy of providing for gratuity as and when paid and not on the basis of actual valuation as per AS 15. The same has been stated in Note No. 1(C)(i).

Our opinion is not qualified in respect of above matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the management discussion & analysis and director's report included in the annual report but does not include the financial statements and our auditor's report thereon. The above information is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the above other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation and presentation of the financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules issued there under. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a

material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:

(a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid financial statements;

(b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

(c) the balance sheet and the statement of profit and loss dealt with by this Report are in agreement with the books of account;

(d) in our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014, except as stated above in *"Emphasis of Matter"*;

(e) on the basis of the written representations received from the directors as on 31st March 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act;

(f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

(g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the managerial remuneration under section 197 is not applicable to a private company;

(h) with respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

(i) the Company does not have any pending litigations and therefore no impact of disclosure in relation to the same has been made in the financial statements.

(ii) the Company does not see any foreseeable losses on long-term contracts as on the balance sheet date and the Company has not entered into any derivative contracts, therefore no provision has been made in relation to the same;

(iii) there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India".

ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Finance Industry Development Council** (*"the Company"*) as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

(iv) (a) The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested by the company to or in any other persons or entities, including foreign entities ("Intermediaries") with the understanding, whether recorded in writing or otherwise, the Intermediary shall, whether, directly or indirectly lend or invest in other persons or identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, no funds have been received by the company form any persons or entities, including foreign entities ("Funding Parties") with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding parties ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) contain any material misstatement.

(v) The company has neither declared nor paid any dividend during the year.

2. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we would like to state that statement on the matters specified in the paragraph 3 and 4 of the Order is not applicable to the Company.
